I would like to OPPOSE the proposed Minarah College

I live in Catherine Field. I do not like the idea of a school being built.

We don't need more cars on our roads because we have a lot of pot holes.

We have had a lot of floods this year in our town and it was scary to be in the car when my dad was driving through the water over the road.

We already have a pre school. We have tennis courts that have basketball courts in them that people can use when they want to. We have a softball field that people come and play on.

I haven't made any reportable political donations
