Application Number: SSD-30759158 - Minarah College

I request that my private information (name and address) not be disclosed.

I declare that I have have not made any reportable political donations.

I would like to OPPOSE the proposed Minarah College

Sincerely

My Family has lived in the Catherine field suburb for many years.

I object to the proposal of Minarah College in Catherine Field for the following reasons.

Catherine Field Roads cannot take anymore traffic we battle constantly with avoiding pot holes that are repeatedly being repaired.

The school will create a congestion of traffic.

The proposal states on page 25 under social impact assessment that they are providing 143 car spaces, this is not enough. Where will visitors park and is there a restriction on visitor numbers for hall hire and sports field hire?

Catherine field is a very narrow road.

Parts of Catherine field has concerned Flooding areas which is a safety issue.

For all the above, I object.
