July, 2022

**Application Number:** SSD-30759158 - Minarah College

I request that my private information (name and address) not be disclosed.

I declare that I have have not made any reportable political donations.

I would like to OPPOSE the proposed Minarah College

I have lived in Catherine field for over 15 years and moved to this area because it is rural and for its peacefulness, having a school in the area takes away from Rural living.

The flooding is also a major concern in this area.

The roads are not suitable to cope with the amount of traffic predicted, there always being repaired by council for pot holes.

Page 36 In the Social Impact Statement states that they anticipate that the school hall and sports field will be hired out by the broader community.

Catherine Field has a community hall for hire and a sports field that is free for use as well as a park for children established only a minute up the road from the proposed school. This is not just a school it is also a community business.

I object to having a school in Catherine Fields as it will alter the natural appearance of the area and safety concerns due to the flooding in many areas and road damage.

Thank you
