I request that my private information (name and address) not be disclosed.

I declare that I have / have not made any reportable political donations.

I would like to OPPOSE the proposed Minarah College

I have lived in Catherine field for about 14 years and moved here because of the farming rural.

I object to having a school in this area as it will bring to much traffic to the area and to our already battered roads which cannot cope with any more traffic.

Fixing the area in front of the proposed school is not enough, Catherine Field Roads need to be all fixed especially when that amount of traffic will be introduced to the area. There are no footpaths, kerb or gutters, where are people required to walk safely on to school.

Please be aware of the flooding on Catherine Field Road and surrounding areas where people will be traveling from to access the school. Council needs to do a lot of work, to prepare these roads and flooding issues before a school is built in this suburb.

I Oppose with the proposal of a school being built in a rural town with no infrastructure.

Thank you.
