I request that my private information (name and address) not be disclosed.

I declare that I have have not made any reportable political donations.

I would like to OPPOSE the proposed Minarah College

I use Catherine Field Road on a regular basis and object to the proposal of Minarah College in Catherine Field.

Catherine Field Roads are wearing away with pot holes and continuously are being repaired by council workers until the next time.

Catherine Field Road is not wide enough to handle traffic of this extreme. There will definitely be traffic congestions around the school area, which is one of the main roads to access Camden Valley Way and Oran Park.

I have also seen this road flood with water.

On page 25 under the heading social impact it says that the proposed to provide 143 car spaces, how can this be enough for the proposed number of staff and people who visit the school.

I object for all the reasons above.
