Dear Nahid,

My family have lived in Catherine Field for over 20 years.

I **Oppose** the Minarah College project in Catherine Field.

The reasons why I oppose this project include:

Appendix L – Transport – only SIDRA modelling was undertaken, no survey of Camden Valley Way was undertaken at all, it compares it to Green Valley School which is in a different LGA/Catchment and has different public transport options than this one. It's a little inadequate.

Page 24 of the Transport and Accessibility Impact Assessment says that at the time of the Surveyed Traffic Volumes, we were undergoing a 'pandemic event'. In that instance, how can this report be accurate. I believe the report should be re-done in line with normal Traffic Volumes to provide an accurate assessment.

Given these concerns, the school should not be approved.

Thank you
