I would like to OPPOSE the proposed Minarah College

Sincerely

Dear Nahid,

My family have lived in Catherine Field for over 20 years.

I am writing to **Oppose** Minarah College in Catherine Field.

Being a long term resident of Catherine Field, I believe that the proposal for a school in our rural area should not be considered.

The conditions of our roads have not changed in the time I have lived here and given that

3.4.1 of The Transport & Accessibility Impact Assessment clearly states: Currently there are no provisions for footpaths along the Catherine Fields road. Also: There is no anticipated footpath works planned for the Catherine Field area.

This clearly does not meet the Infrastructure Requirements and Utilities set out on page 7 of the Environmental Assessment Requirements: "identify any infrastructure upgrades required on-site & off-site to facilitate the development & any arrangements to ensure that the upgrades will be implemented on time and be maintained".

How would it be safe for any child to walk to school that doesn't fit the Public Transport Catchment as shown on page 34 of the same report.

For this reason, I object.

Thank you
