Capital Investment Value. This has not been addressed. It merely mentions the total but no breakdown of costs as to how they got to the final amount.

I have heard that the sites were purchased for \$3,750,000 each by The Muslim League of New South Wales. That accounts for \$7,500,000

I would ask the applicant to supply all missing documents in relation to this matter before proceeding to make any judgement call

I oppose this application
