MINARAH COLLEGE

I OPPOSE this proposed Minarah College.

This area is not ready for such an inappropriate development.

The local rural roads cannot handle such a large increased traffic flow daily. Pot holes are continually having to be repaired.

There are no footpaths for children to walk or ride a bicycle and the road edges are very rough and gravelly.

Catherine Field Road is a through road, leading to an intersection where visibility of oncoming traffic is very restricted.

As to waste water, the effluent area proposed is way too small when compared to requirements imposed on local residents.

MINARAH COLLEGE

There is no town plan for our community to accommodate such a college.

The block of land which was originally set aside for a local school has recently been sold off for housing.

There is NO BENEFIT to the local community as this college proposes to serve a culture that does not exist in the area.

There are suitable planned religious schools in the adjoining suburb.

Thank you for your consideration of my submission.
