I oppose this proposed Minarah College

The local roads are not suitable for such a large school, or any school, with potholes constantly being repaired on our rural roads.

There are no footpaths and the properties are in low lying areas of the road which flood in this area.

This small village would not benefit from such a large school, which is very unsuitable for this quiet rural area.

In surrounding areas there are more suitable planned religious schools.

Sewerage will be a problem with 1500 students and 300 teachers with no town sewerage on 10 acres.

Traffic and noise will definitely be a problem in this small rural village.

Catherine field rd is a busy though
road with peak traffic times being
close to school drop off and pick up times
make this very unsuitable especially for
such a large school with before and
after school care and proposed operating
hours are Monday to Friday 7am to 9pm &
Saturday to Sunday 9am to 10pm would
doubt not only disturb the residents but
it would change the rural setting of the
small village.

I have good reason to believe that
an updated traffic report has not been
submitted.

Thank you for your consideration for
my submission.
