The idea of an educational facility is not suitable for the rural character of the locality.

Catherine Field was referenced to be "rural, unplanned and unserved" in the EIS and this is the way it should stay. Or at least pause any prospects of developments until the correct infrastructure is in place rather than putting the cart before the horse.

I have concern in relation to the impact on traffic flows in particular along Camden Valley way and Catherine Fields road. Since the closure of the right turn lane into Deepfields road from Camden Valley way, this has created Catherine Fields road as the main thoroughfare from Camden Valley way to Bringelly road. Camden Valley way offers two right turn lanes into Catherine Fields road but then quickly merges into one lane. The speed limit changes from 80km/h to 60km/h and back to 80km/h.

The traffic data supplied does not reflect more recent data.

In conclusion, I do not support this project.
