Dear Sir/ Madam,

I have been a resident of Catherine Field for over 30 years.

Our family enjoy the peace of rural life. We have a large lot within close area to where they want to build the school and I have many concerns.

Our roads are of poor quality and are constantly being repaired by Camden Council. With so much more traffic, we feel that this problem will only get worse.

Our town also has problems with flooding over the road with a lot of rain, this can be very dangerous for people driving in large puddles that hide many pot holes.

I do not think that Catherine Field is the right location for a large school or any development of this size until our roads are repaired properly and there is suitable infrastructure in place
