**Application Number:** SSD-30759158 - Minarah College

I request that my private information (name and address) not be disclosed.

I declare that I have / have not made any reportable political donations.

I would like to OPPOSE the proposed Minarah College

*I have concerns about the sewer that is proposed to be used at the school. Why would they put in a temporary system only to connect to Sydney Water mains when that is available? Wouldn't it make sense to wait until there is connection to sewer mains before building? I oppose*
