I request that my private information (name and address) not be disclosed.

I declare that I have ~~have not~~ made any reportable political donations.

I would like to OPPOSE the proposed Minarah College

I OPPOSE this development proposal

Upon reading Ason Group's reports;

2.5.1- Public Transport Catchment

2.5.2- Active Transport Catchment

Rather than be a catchment area, I deem this an exclusion area of potential students to safely attend this school without being driven in a private vehicle.

Fig 8 map shows that no child in Catherine Field will be eligible for bus

I suggest that Minarah College consider re-locating their site to a more suitable area where safe pedestrian and cycle access is either already in place or in planning stages with TfNSW or local council
