I would like to OPPOSE the proposed Minarah College

Dear Nahid,

I have family that have resided in Catherine Field for a long time.

I object to the proposal of Minarah College in Catherine Field.

I quite often visit family in the area and have always commented to them of the poor conditions of the roads. They are narrow and only seem to get patched by council which is a short term fix.

The Camden Council letter dated 23 December 2021 attached to the report conducted by Ason Group "Catherine Fields road is a rural road". This same letter lists one of the requirements that the Traffic Advice report must detail "The capacity for the narrow rural road (Catherine Fields road) to handle the traffic volumes associated with the development and likely maintenance burden".

My understanding of this is that Camden Council have recognized that there may be concerns in relation to the 'narrow rural road' and the capacity to handle the traffic that a school of 1,580 students will bring.

Given this information, I OPPOSE.

Thank you

CW.
