I request that my private information [REDACTED] Catherine Field,
not be disclosed.

I declare that I have not made any reportable political donations

I would like to OPPOSE the proposed Minarah College.

Reasons being is that the rural nature of our community is what I would like preserved.

The amount of traffic this college will create when being built over the years and during operation is not acceptable to me.

Our roads can't cope as it is and this proposal will stress the road conditions even worse.

The drive to work each day will be faced with school traffic conditions that I would rather not have to deal with.

Yours faithfully,
