Being a long term resident of Catherine Field, I strongly oppose SSD-30759158 Minarah College

Having had issues logging in to create an account on the planning portal and being unable to read the documents associated with this proposal, I have had to speak to my neighbours to get information.

I understand that there is no crash data from the years 2020 and 2021 and 2022. If this was included, there would be more concerning information including a fatality.

I also understand that there are no plans for any improvement to Catherine Fields road and no plans for installing any safe pedestrian footpaths or cycle lanes. How can this be safe?

With a majority of the students coming from the Green Valley direction, I don't believe this will benefit our rural community.

I declare that I have not made any political donations
