Subject: Bingo rubbish

To whom this my concern,

In regards to the increase of Sulphur smell and other fumes in our area from the amount of rubbish from the Bingo waste site is ghastly and our families including the kids should not have to inhale any of this.

This is not the 1900s and this should not be present in a built up area near schools and imagine the wind taking this to the new airport we will be the laughing stock of the world.

Regards,

David Ackroyd.
