Dear Ms Mulcahy

The exhibition of the modification report for the New Public School in Mulgoa Rise (SSD-11070211-Mod-1) ended on 01 Aug 2022.

Submissions from Penrith City Council (Council), Endeavour Energy and Sydney Water were received during exhibition of the modification report. We have placed all submissions on the NSW planning portal at

We now require you to provide a written response to the following issues raised in Council's submission, as required under section 59(2) of the Environmental Planning and Assessment Regulation 2021.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

Please note that the Department is awaiting advice from the Environment and Heritage Group (EHG) and will forward this to you to address as part of the Submissions Report once received. Please be advised that a request for additional information regarding flooding matters may be issued shortly after receiving the EHG advice.

Please lodge your submissions report by 11 August 2022 via the NSW planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 94(1) of the Environmental Planning and Assessment Regulation 2021.
