Subject: Response to Submissions

Dear Mr Williams

The exhibition of the development application and environmental impact statement (EIS) for the Crescent Head Ilmenite Stockpile Rehabilitation (SSD-30956841) ended on 30 Aug 2022.

We have placed all submissions and agency advice received during the exhibition period on the NSW planning portal at <https://www.planningportal.nsw.gov.au/major-projects/projects/crescent-head-ilmenite-stockpile-rehabilitation>.

Kempsey Shire Council has not yet made a submission, however it has indicated its intention to provide comments. These comments will be made available to you when they are received.

Please provide a written response to the issues raised in the submissions or by agencies, as required under section 59(2) of the Environmental Planning and Assessment Regulation 2021.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

Please lodge your submissions report by 14 October 2022 via the NSW planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 94(1) of the Environmental Planning and Assessment Regulation 2021.

If you have any questions, please contact Nima Salek on (02) 92746088 or via email at Nima.Salek@dpie.nsw.gov.au.

Yours sincerely,
