NOTICE OF EXHIBITION – SSD-31179510- GREGORY PLACE BTR

SUBMISSION OBJECTION

I object to the proposal because the development is considerable and will have an impact on parking in the surrounding area as the current infrastructure in a closed street will not manage the increased number of people who will be residing in and/or visiting the apartments. It is hard to find parking in the area as it is and we can't even use the surrounding parks because of the lack of parking or visit the museum or heritage centre.

Kind Regards

T. Drayfi

Dear Mr Dobbs

APPLICANT: 2A GREGORY PLACE PTY LIMITED

NOTICE OF EXHIBITION – SSD-31179510- GREGORY PLACE BTR

SUBMISSION OBJECTION

I object to the proposal because the development is considerable and will have an impact on parking in the surrounding area as the current infrastructure in a closed street will not manage the increased number of people who will be residing in and/or visiting the apartments. It is hard to find parking in the area as it is and we can't even use the surrounding parks because of the lack of parking or visit the museum or heritage centre.

Kind Regards

SUBMISSION OBJECTION

I object to the proposal because the development is considerable and will have an impact on parking in the surrounding area as the current infrastructure in a closed street will not manage the increased number of people who will be residing in and/or visiting the apartments. It is hard to find parking in the area as it is and we can't even use the surrounding parks because of the lack of parking or visit the museum or heritage centre.

Kind Regards

SUBMISSION OBJECTION

I object to the proposal because the development is considerable and will have an impact on parking in the surrounding area as the current infrastructure in a closed street will not manage the increased number of people who will be residing in and/or visiting the apartments. It is hard to find parking in the area as it is and we can't even use the surrounding parks because of the lack of parking or visit the museum or heritage centre.

SUBMISSION OBJECTION

I object to the proposal because the development is considerable and will have an impact on parking in the surrounding area as the current infrastructure in a closed street will not manage the increased number of people who will be residing in and/or visiting the apartments. It is hard to find parking in the area as it is and we can't even use the surrounding parks because of the lack of parking or visit the museum or heritage centre.

Dear Mr Dobbs

APPLICANT: 2A GREGORY PLACE PTY LIMITED

NOTICE OF EXHIBITION – SSD-31179510- GREGORY PLACE BTR

SUBMISSION OBJECTION

I object to the proposal because the development is considerable and will have an impact on parking in the surrounding area as the current infrastructure in a closed street will not manage the increased number of people who will be residing in and/or visiting the apartments. It is hard to find parking in the area as it is and we can't even use the surrounding parks because of the lack of parking or visit the museum or heritage centre.

Kind Regards

YWB
