Dear Mr Marchant

**Ravensworth Operations Modification 4 (MP 09_0176-Mod-4)
Request for Submissions Report**

The exhibition period for the proposed Ravensworth Operations Modification 4 (MP 09_0176-Mod-4) ended on Monday 29 August 2022. During the exhibition period, the Department received advice from government agencies including, the NSW Resources Regulator, Mining, Exploration and Geoscience and Heritage NSW. One public submission was received during the exhibition period, along with comments from Muswellbrook Shire Council.

Advice from the Environmental Protection Authority, the Biodiversity Conservation Division, DPE Water and Singleton Council has not yet been received. This advice will be provided to you as soon as possible.

All submissions and advice received by the Department during the exhibition period is available on the Department's website at

<https://www.planningportal.nsw.gov.au/major-projects/projects/ravensworth-coal-mod-4-grawts-stage-2>.

You are now requested to provide a Submissions Report which responds to the issues raised in the agency advice, including any requests for clarification or further information, as required under clause 59 of the *Environmental Planning and Assessment Regulation 2021*. The Submissions Report must have regard to the State Significant Development Guidelines (2021).

Please lodge your Submission Report by progressing the application on the Major Projects Planning Portal <https://majorprojects.planningportal.nsw.gov.au/>.

If you have any questions, please contact Tegan Cole on 02 9895 6457 or via email at Tegan.Cole@planning.nsw.gov.au.

Yours sincerely
