

OBJECTION

I am making a personal submission

Have you made reportable political donations?

YES

NO

Would you like to request your name be withheld YES

NO

Personal Information:

Name:

GLENN COURTNEY

Address:

Email Address:

Telephone number:

(Please withhold my personal information prior to publication)

I object to Tilt - Liverpool Range Wind farm submission - Mod 1 Turbine and infrastructure changes

Comments:

FOR THE PAST 12-15 YEARS WE HAVE BEEN
SOFTENED -UP WITH GIMMICKS OF A WINDFARM IN
COOLAH. THERE APPEARED TO BE NO REAL IMPACT TO
OUR LIFESTYLE.

IT HAS NOW COME TO LIGHT THAT WE HAVE
BEEN MIS-LED AND THE CURRENT ESCALATION OF
THE PROJECT THREATENS OUR RURAL LIFESTYLE +
WAY OF LIFE.

7/10/22

Grounds for my objection.

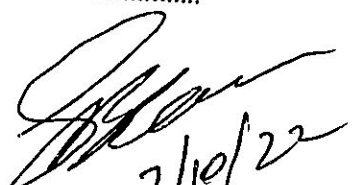

OBJECTION

VISUAL - this is a rural scenic area. The main benefit in living here is the uncluttered landscape. These towers will destroy that.

NOISE - AT NIGHT ONE CAN HEAR THE CRICKETS + THE BREEZE BLOWING. WE HAVE VIRTUALLY NO BACKGROUND NOISE. CITY SUBURBAN BACKGROUND NOISE CALCULATIONS ARE IRRELEVANT HERE. THE ECHO EFFECT ACROSS THE VALLEY HAS NOT BEEN ADDRESSED AT ALL.

LOCAL BENEFITS - THERE APPEAR TO BE LITTLE OR NO DIRECT BENEFITS TO COOLAH. ONLY PAYOFFS.

REMEDICATION - NO RESPONSIBILITY BY COMPANIES TO DISMANTLE + REMEDIATE SITES WHEN THESE PROJECTS ARE NO LONGER VIABLE. NO AMOUNT OF MONEY CAN 100% REMOVE THE TRACES OF THIS FOLLY.

2/10/22

HIGH TENSION LINES - LACK OF PLANS SHOWING
 ROUTES OF INFRASTRUCTURE LINES
 JOINING TOWERS + EXPORTING POWER.

BUSHFIRE - PARTICULARLY IN DRY SEASONS WE ARE A
 FIRE-PRONE COMMUNITY. IF ONE OF THESE
 MALFUNCTIONS + BURNS THE ABILITY TO START
 FIRES IS NOT BEING RECOGNISED.

AERIAL FIRE-FIGHTING WILL BE NON-EXISTENT
 WATER BOMBERS ARE NOT ACCURATE AT 2000 FT
 + ROTARY WING AIRCRAFT WITH SUSPENDED BUCKETS
 WILL NOT GO THERE.

DISRUPTION TO LIFE DURING CONSTRUCTION -

MASSIVE INCREASES TO "HEAVY" TRAFFIC OVER
 A 3 YEAR PERIOD WILL ABSOLUTELY DESTROY
 THE FABRIC OF THESE SMALL COMMUNITIES
 I FEAR THE AMBIENCE OF THIS PLACE WILL
 ONLY BE REMEMBERED IN THE 'DREAMTIME'

WATER - THE UNDERGROUND WATER HERE IS OUR LIFEBLOOD.
 TOWNS, VILLAGES + FARM PROPERTIES ALL DRAW
 WATER SUPPLIES FROM AQUIFERS. THERE IS NO
 ALTERNATIVE. THIS PROJECT IS USING A COMMODITY
 WHICH IS IN SHORT SUPPLY ALWAYS.
