

I am making a personal submission

Have you made reportable political donations?

YES

NO

Would you like to request your name be withheld

YES

NO

Personal Information:

Name:

Address:

Email Address:

Telephone number:

(Please withhold my personal information prior to publication)

Coolah

I object to Tilt – Liverpool Range Wind farm submission – Mod 1 Turbine and infrastructure changes

Comments:

- ① Sound issues, including infrasound, and effect on residents & livestock. Poorly researched & published.
- ② Visual impact of towers & aerial hazard.
- ③ Wrong technology for the times:
 - i) Not commercially viable without subsidies
 - ii) Not reliable 24/7
 - iii) Messy cleanup at end of life
 - iv) ~~Not~~ Limited benefit for local community
- ④ Better solutions available (clean coal, nuclear)
- ⑤ Not in Australia's economic interests – profits go overseas, subsidies fall on us.
