Proposal Manabui to North Stal P2

SUPPORT

But concerned about impacts
for me.

Noise increase from trains going
from no trains to 20 trains a day.

VIBRATION

Concerns potential damage to house
& foundations. By pass has caused
movement house. Not to mention what
the much heavier trains will do.

CONSTRUCTION

Impacts due to bridge construction
concerned about truck & machinery
movements, dust, Noise & Safety
I would like my house to be acquired
on a compulsory basis
