Subject: Response to Submissions

Dear Ms Kelly

The exhibition of the Amendment Report and Submissions Report for the above proposal ended on 10 October 2022. Submissions received from the public and advice from government agencies during the exhibition of the proposal are available on the Department of Planning and Environment's (Department) website at:

<https://www.planningportal.nsw.gov.au/major-projects/projects/new-high-school-bungendore>.

We now require a written response to issues raised in the submissions raised during the exhibition of the Amendment Report, as required under section 59(2) of the Environmental Planning and Assessment Regulation 2021. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

The Department is awaiting advice from Transport for NSW, Rural Fire Service, NSW State Emergency Service, Essential Energy, John Holland Rail Group and Canberra Airport, and will forward any pending advice as separate correspondence upon receipt.

Please ensure that the Submissions Report addresses the issues raised in any forthcoming agency advice. The Department is currently reviewing the issues raised in the public submissions and received agency advice received. The Department will provide separate advice identifying any key issues to be addressed in the Submissions Report once the outstanding Council submission and agency advice has been received.

Please lodge your submissions report by 16 January 2023 via the NSW planning portal
<https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 94(1) of the Environmental Planning and Assessment Regulation 2021.
