**Subject: Marulan Solar Farm - Response to Submissions**

Dear Mr Allen

The exhibition of the development application and environmental impact statement (EIS) for the Marulan Solar Farm (SSD-13137914) ended on 18 October 2022.

The Department notes that advice from and Goulburn Mulwaree Council, Australian Rail Track Corporation, Rural Fire Service and Essential Energy are still outstanding and will be forwarded to you once received.

All submissions received by the Department during the exhibition can be viewed on the Department's website at: <https://www.planningportal.nsw.gov.au/major-projects/projects/marulan-solar-farm>.

You are requested to prepare a written response to the full range of matters and recommendations raised in the agency and council advice and in public submissions, by Friday 18 November 2022. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines (2021)*. The submissions report guideline forms part of the SSD Guideline (Appendix C).

Please lodge your response by progressing the application on the major projects planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 94(1) of the EP&A Regulation.

If you have any questions, please contact Julia Green on (02) 9585 6409 or at [Julia.a.green@dpie.nsw.gov.au](mailto:Julia.a.green@dpie.nsw.gov.au)

Yours sincerely,

Nicole Brewer  
Director  
Energy Assessments  
as delegate for the Planning Secretary
