☒ I declare I have not made any reportable political donations in the last two years.

Name: Erin Reid

Address: 405 Upper Pambong Road, Pambong, NSW 2880.

I OBJECT to the Birriwa Solar Farm for the following reasons:

- Negative Impact to the local community without any direct social / economic / cultural / environmental benefit.
- No long term employment benefit to the community
- No direct financial benefit / deals with regard to energy for locals who are impacted by the development
- The size ~~of~~ scale of the project ~~is~~ visually aggressive and will impact prime farming land
- The NSW ~~REZ~~ will experience an oversupply of Renewable energy ~~the~~ Infrastructure is not prepared for it given the number of proposed projects in the Central West REZ
- There are concerns about the psycho-somatic impacts of the noises of the turning panels on the health of the general public. Young families live in the vicinity of the proposed site.
