I OBJECT to the modification of the Birriwa Solar Farm for the following reasons:

- 1. Some of the land owners involved in this project are not permanent residents in the area. They live elsewhere. Their stock roam the roads & are a danger to all.
- 2. The roads involved in this project are "B,45 SCHOOL" routes. This could be a danger to the bus driver & our children.
- 3. This hazard to all farms. We have to protect our farms ourselves. We do not have town levigades.
