**Subject:** No Incinerator at Tarago  
**Date:** Saturday, 3 December 2022 2:11:44 PM

---

To whom it may concern

I am writing to express my objection to an incinerator in Tarago.

I live in Bywong, 25 km from Tarago, with my wife and 2 young children. One of whom is an asthmatic. It is hard enough keeping him breathing with clean air. Pollutants that may be exhausted from the burning of Sydney's rubbish will almost certainly harm him, or at the least, make it hard to live in this area.

I strongly object to Veolia, or anybody else burning Sydney's garbage and pumping it into our pristine environment.

Burn Sydney's garbage in Sydney, if it's clean enough to do so, not in our area.

Yours sincerely

Harvey family  
Bywong, NSW, 2621.
