**Re: Woodlawn Advanced Energy Recovery Centre  
SSD – 21184278**

My name is Daphne Penalver; I live in Goulburn NSW.

I wish to record my **very strong OPPOSITION** to the construction of a waste incinerator at nearby Tarago.

The similar operation proposed for Eastern Creek was rejected by the NSW Independent Planning Commission on the basis it was not in the public interest. The same safety concerns cited apply to the Tarago proposal. The risks have not changed.

**If a waste incinerator is deemed unsuitable in Sydney, managing Sydney's waste, nowhere is suitable location.**

Yours faithfully

Daphne Penalver
