

Dear Sir/madam

I wish to submit my objection to the Woodlawn ARC: SSC-21184278 project.

I acknowledge the department's disclaimer and requirements.

I believe the waste incinerator is completely unacceptable as it poses a real risk to the health of people, animals and the environment in the region. This is such an anachronistic and irresponsible solution to a problem that requires increased recycling, alternative production and waste management solutions.

Regards

Matthew Davies
