

I object to the Veolia Tarago waste incinerator

My Name is Corrie Wisung and I live at 283 Annies lane Woodhouselee NSW 2580 and I object to this project

A few reasons I object are

- I am concerned about the effect on my health as I have autoimmune diseases
- It will be bad for the environment
- it will pollute this beautiful area
- it will poison the water
- it will contaminate the food we grow
- it will effect the health of my son
- it will impact climate change, effecting the future of my son and his children
