

We as a family of 6 object to the tarago incinerator, as we have previously but have been told this needs to be done again to count.

we live at 14 Roseview Rd, Mount Fairy NSW 2580, we raise our kids, food and farm animals and do not want the incinerator here affecting our livestock, food we grow and our bodies with toxic particles it spews throughout the area not do we want the awful smell than we already get to be doubled.

My husband Noel Henderson,

Myself Jacqui Henderson

our kids Lucinda, Kayley, Max and Heidi all object.

We have not made any reportable political donations.

We acknowledge and accept the department's disclaimer and declaration.

yours truly
