Development of a 500 MW solar farm with a 200 MW / 400 MWh battery energy storage system and associated infrastructure.

About the exhibition

An exhibition process allows any individual or organisation to have their say about a proposed development.

The Department of Planning and Environment (Department) has received a State significant development (SSD) application for the abovementioned project. The application, environmental impact statement, and accompanying documents are on exhibition from **28 October 2022** until **24 November 2022**. You can view these documents online at www.planningportal.nsw.gov.au/major-projects.

At the time of publishing this advertisement, the Minister for Planning has not directed that a public hearing should be held.

Controlled Action under *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act)

Development in NSW can be subject to Commonwealth legislation, depending on the circumstances.

The Commonwealth Minister for the Environment and Water has decided that the proposed development – known as 'RES Australia Pty Ltd/Energy Generation and Supply (renewable)/900 Castlereagh Hwy, Beryl/New South Wales/Proposed large-scale solar farm project (2022/9171)' for Commonwealth purposes – is a "controlled action" under the EPBC Act.

The EPBC Act Part 3, Division 1 controlled provisions are Sections 18 and 18A (Listed threatened species and communities).

The proposed development will be assessed under Part 4 of the *Environmental Planning and Assessment Act 1979*.

The assessment will be in accordance with the Bilateral Agreement between NSW and the Commonwealth, made under the EPBC Act. The assessment will be done in the manner specified in Schedule 1 of the Bilateral Agreement. This means the project will be assessed against the requirements of both acts.

The public notice for the project may be found at <https://epbcpbpublicportal.awe.gov.au/all-referrals/>.

Have your say

The Department encourages online submissions. To have your say online, search for this project at www.planningportal.nsw.gov.au/major-projects and click on 'Make a submission'. You will need to log in or create a user account.

If you cannot submit online, post or drop your submission to the address below, to arrive before the close of exhibition. If you would like your personal information to be withheld from publication, please clarify this in a separate cover sheet and only provide your personal information in that cover sheet. Do not include personal information in your submission as your submission will be published in full.

If you choose to send a paper-based submission, it is important that both the submission and mailing envelope are addressed to the nominated contact person below:
