I OBJECT TO THE TALLAWANG SOLAR FARM FOR THE
FOLLOWING REASONS

- * MY PROPERTY IS IN AN ELEVATED POSITION OVERLOOKING THE SITE OF THE PROPOSED INSTALLATION. ONE OF THE REASONS WE CAME HERE 45 YEARS AGO IS THE UNSPOILT BEAUTY OF THE SURROUNDING COUNTRY. THIS WILL BE DESTROYED FOREVER. WE WILL BE LIVING NEXT DOOR TO AN INDUSTRIAL SITE.
- * IN DRY SEASONS THIS AREA IS CONSTANTLY UNDER THREAT FROM BUSHFIRES. THIS INSTALLATION WILL MAKE IT MORE DIFFICULT TO CONTAIN ANY FIRE, RECENTLY THERE WAS A BIG GRASS FIRE ON THE PROPOSED SITE.
- * ONE OF THE RESULTS OF THIS INSTALLATION WOULD BE AN IMMEDIATE DOWN GRADING OF THE VALUE OF MY PROPERTY. IT COULD ALSO AFFECT MY INSURANCE PREMIUMS.
- * IT WOULD SEEM THAT NOT MANY PROPERTY OWNERS WOULD RECEIVE ANY COMPENSATION.

* I DON'T BELIEVE THAT RENEWABLES CAN SUSTAIN THE ELECTRICITY SYSTEM ON THEIR OWN. POWER CHARGES ARE ALREADY UNAFFORDABLE FOR SOME PEOPLE.

* I WOULD EXPECT THAT AN ON THE GROUND INSPECTION OF AFFECTED PROPERTIES IN THE COMPANY OF OWNERS WOULD BE CARRIED OUT.

* I DON'T BELIEVE THAT THIS LAND WILL EVER BE RESTORED AFTER USE - BURIED CABLES WILL ENSURE THAT NO COMPANY WILL WANT TO BE RESPONSIBLE.

* I ACKNOWLEDGE AND ACCEPT THE DEPARTMENT'S DISCLAIMER AND DECLARATION.
