My submission is as follows:

The proposal will be of huge economic benefit to the area as well as to Lake Macquarie. It will provide much needed employment for the local area during construction & when the hotel & restaurant are functioning. The existing restaurant has proved its success & provides a wonderful venue for the public, both locals & the many who visit from Sydney & Newcastle. The additional land & access to the foreshore will provide enjoyment for the public - the hotel will also provide much needed accommodation in the Mossiet area. This will be a great asset to tourism in the area & Lake Macquarie.
