My submission is as follows:

The hotel and apartment project will make  
a lot of sense for the Lake Macquarie region.

- Provide employment for hundreds of people.
- Achieve high density living to fulfill  
the needs of a growing population with  
limited land resources.
- Improve tourism and culture in the  
region.
- Make use of the fantastic natural resources  
of the area and make the Lake Macquarie  
region a spectacle for NSW, Australia and  
even the world.
