My submission is as follows:

My family and I are enjoying access to
the Marina - we walk there everyday.
Without this, there would be very
limited access to walking by the
Lake.

We are also enjoying having access
to a world-class restaurant as there
are so few places in the area ~~with~~
that provide a nice dining experience.
We would love accommodation to be
built as this would allow our
extended family and international
friends to come and visit us.
