My submission is as follows:

The 8 at Trinity restaurant is a much-loved venue by both locals and tourists. The success of this restaurant was purely built from word-of-mouth, demonstrating the potential of the Trinity Point project. This project will provide substantial economic benefits for the Hunter Region. The Trinity Point project will offer a large number of job ~~opportunities~~ opportunities for all hospitality staff of all levels, as well as construction workers during the build, gardeners, architects, cleaners, beauty therapists, office staff, and more. Not only will this project offer a place to stay, it will offer a luxury place to stay, along with an unforgettable experience.
