I OBJECT to the Winterbourne Wind Farm development.

- I declare that I have not made any reportable political donations in the previous two years
- I acknowledge and accept the Department's disclaimer and declaration.

I strongly object to the Winterbourne Wind Farm Project due to the following concerns:-

- **Traffic** – concerned about the increase in traffic around and through the Walcha township. Worried about getting to specialist medical appointments in Tamworth and Armidale, with delays due to traffic congestion.
- **Bus Fires**- the build-up of fire fuel around the turbine areas are going to build up . How are these going to be managed?
- **Lack of consultation**- I only learnt about the wind farm project through the local advocate. I received no information on any consultation processes.

Kind regards,
