RE: WINTERBOURNE WIND FARM | APPLICATION NO. SSD-10471

I am making a submission **in support** of the Winterbourne Wind Farm project for the following reasons:

1. I want to help save the earth from extreme weather events like bad droughts, bad floods and bad bushfires.
2. We need to have a good electricity supply in the future.
3. I would like my parents to have enough money to send me to agricultural college to obtain qualifications so I can become a good farmer.
4. The Winterbourne will help my parents with their succession plan for me and my brother as I would like to stay on the farm.
5. The Community benefits Fund will help my local community with lots of things in the community including sports facilities and activities which I enjoy.

Yours Sincerely
