Dear Mr Landfear

All submissions received by the Department during the exhibition can be viewed at: <https://www.planningportal.nsw.gov.au/major-projects/projects/winterbourne-wind-farm>. In this regard, once you have had a chance to review the submissions, the Department would like to meet with you to discuss the issues raised.

You are requested to prepare a written response to the issues raised in the submissions, including the full range of matters and recommendations raised in the agency advice by Friday 28 April 2023. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

Please lodge your submissions report by progressing the application on the major projects planning portal at <https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 94(1) of the *Environmental Planning and Assessment Regulation 2021*.
