I OBJECT to the Winterbourne Wind Farm development.

- I declare that I have not made any reportable political donations in the previous two years
- I acknowledge and accept the Department's disclaimer and declaration.

I object to the Winterbourne Wind Farm Project for the following reasons:

- We have set up our garden and lifestyle to enjoy spectacular N Easterly Views. If this goes ahead I will look at scores of wind turbines without any compensation to the change of my amenity.
- I am worried about the bushfire risk and ability to fight fires with aeroplanes in the gorge.
- My ability to access social, business and medical appointments in Tamworth will be greatly affected with the traffic during construction. The EIS claims there will be minimal impact on travel times, This is a misleading statement.
