Re: WINTERBOURNE WIND FARM
SUBMISSION

Application No: SSD - 10471.

Application No: SSD - 10471.

Winterbourne Wind Pty Ltd.

We would like to express our support for the Winterbourne Wind Farm development in our area. The development of such a wind farm would not only help the local economy, it would help the state of NSW, providing GREEN ENERGY which is what everyone agrees is needed. We feel our local economy would benefit greatly with the cash flow and jobs that would come with the project if it was to go ahead.

We acknowledge and accept the Departments disclaimer and declaration Statement.
