I OBJECT to the Winterbourne Wind Farm development.

- I declare that I have not made any reportable political donations in the previous two years
- I acknowledge and accept the Department's disclaimer and declaration.

As the local taxi Co. in this area I am extremely concerned about the amount of traffic especially heavy vehicles that will be needed to be used to build the Winterbourne Project.

The roads in this area are already in a poor condition and unless there is a guarantee that the roads will be improved & maintained to handle this I believe it will be extremely dangerous for me to operate my business safely.
