I OBJECT to the Winterbourne Wind Farm development.

- I declare that I have not made any reportable political donations in the previous two years
- I acknowledge and accept the Department's disclaimer and declaration.

I object to the Winterbourne Wind Farm Project for the following reasons:

Not limited to but I am worried about the traffic congestion. This will limit my ability to access social, medical and business services in Tamworth. The Oxley Highway is an important artery road for Walcha. The 3 year construction period with 288 trucks per day for 11 months is too much.

I'm worried about Water, Gravel and Road degradation. The developer has not told us where these will come from.
