

Letter of support for the Winterbourne Wind Farm (proposal ID SSD-10471).

To Whom It May Concern

I am writing to continue my support for the local Wind Farm development in Walcha for the following reasons:

1. The Environmental benefits alone reducing Green House Gases via more economical energy production
2. Employment opportunities are endless for the local community
3. Extra income for local businesses and community
4. Passive income for rainy days, drought, flood & fire events
5. Better roads and access's in/on farms for all weather events
6. Use of on farm quarry resources to help build better roads providing such things as gravel, sand, etc for extra income
7. Sponsorship local sporting and recreational facilities
8. And the list goes on.....

Finally, please consider all these benefits for everybody and approve this development.
