

Letter of support for the Winterbourne Wind Farm (proposal ID SSD-10471).

- The whole of the Walcha district will gain a huge boost to the economy
- Improvements to many roads and other local infrastructure
- Farmers being able to manage and recover from drought due to the income from hosting turbines.
- The developer has consulted with the community very well, especially during times of COVID restrictions.
- There will be an increase in job opportunity during construction and project operation.
- The council will have the opportunity to earn extra income from the project.
