Letter of support for the Winterbourne Wind Farm (proposal ID SSD-10471).

ø

|            | industry as well as accommodation and other services.   |
|------------|---|
|            |   |
| 0          | Increased opportunities for tourism within the Walcha area.   |
|            |   |
| •          | Council can earn extra income by providing waste water to the developer during construction and for long term road maintenance. |
|            | There is potential for the Walcha Council to earn income from land taxes from the Project.                                      |
